## NOTIFICATION OF SMALL BUSINESS SUPPLIER FORM

The New South Wales government's payment of accounts policy defines a small business supplier as an Australian and New Zealand based firm with a turnover of less than \$2 million in the latest financial year.

I confirm that I am a small business supplier within the definition as advised above (*please enter 'Y' for yes confirming you are a small business and 'N' for no – you do not meet the criteria as outlined in the letter*).

I will advise you if my status as a small business supplier changes in the future.
