SWIMMING TRAINING

Swimming Training - Conditions for Use

Boat Wash Down	All boats must be washed down prior to being used in the lake and it is recommended that they are washed down afterwards as well. There are 3 boat wash down stations located on the eastern side of the Boatsheds.
Booking	All training must be booked by submitting a Booking Form and confirmed by Venue Management in advance of the session/s. These bookings will be considered subject to other scheduled activities in the event and training calendar as well as the existing water quality conditions
Coaches	Coaches on bicycles must wear safety helmets and keep to the left.
Indemnity / Insurance	Each participant must complete and submit to SIRC Venue Management an 'Acceptance of Risk / Release of Liability Agreement' form. This form need only be completed once and is then kept on file The organisation to whom the participants belong is required to tender evidence of their Public Liability Insurance (minimum \$10M), recognising the SIRC as an interested party;
Observer	At least one observer is required for every 10 swimmers, preferably on a ski, although walking or on a bike alongside would be acceptable. This observer must have water rescue qualifications (minimum bronze medallion), and hold a current first aid and resuscitation certificate Participants must swim together (the spread between the first and last swimmer must not exceed 20 meters). If the spread between swimmers is greater than 20 meters, additional observers are required
Permits	If you have been issued with a permit or a pass you must bring this with you each time you use the venue
Power Boats	Normal waterway "right of way" rules apply at SIRC. Power boats must give way to sailing, rowing and paddling craft. Oar and paddle propelled craft are to give way to sailing craft. A current Boat Drivers Licence is required for any use of powered boats at the Venue.
Swim Location	With the exception of events (eg. Triathlon, Long Distance Swimming, Australia Day, etc), all swimming must occur between the Finish Tower and the 1,000m mark on the northern side of the Competition Lake. Participants are required to swim between the bank and the edge of the first lane and must not enter the lanes under any circumstances
Traffic Flow	For safety reasons the training traffic flow must be observed at all times. Note – traffic flow may vary during competitions. See the notice-board behind Boatshed 3 and adjacent to the boat racks for details.
Training Times	Training occurs between sunrise and sunset. All users must be off the water BEFORE dark , in accordance with the venue's advertised closing time. Some leniency may be afforded in terms of departing the site after the gates are closed. Please arrange this with Venue Management or Security on the night
Vehicles	If use of the Media Road (upper road on the northern bank) is required by vehicles for coaching or filming, this must be indicated on the Training Booking Form. Vehicle access to either pathway on the Southern Bank is restricted to competitions and special requests (approval is required and additional costs may apply for use of the Southern Bank). Vehicles using the Media Road must keep to the left. Vehicles using either the Media Road or Walking Path must maintain an observer to watch out for other venue users. Media Road access will not be permitted for training when there is a Triathlon or Cycling event occurring Vehicles must use hazard lights and must not exceed the 15km/h speed limit along the Media Road (or 20km/h limit throughout the rest of the venue). Please adhere to directions from Event Staff during an event.
