Local Sport Grant Program 2018-19
Guidelines
Opening 28 June 2018
Closing 24 August 2018
It gives me great pleasure to launch this year’s Local Sport Grant Program. The NSW Government is investing more than $4.5 million in hundreds of grassroots sporting organisations across the State.

Sport is the lifeblood of many communities and this program will not only foster sporting opportunities, it will engage more people in an active and healthy lifestyle. I encourage all local sporting organisations to apply for grants of up to $20,000 that can help fund facility upgrades, community sporting events or initiatives to improve club development.

It is a key priority of the NSW Government that everyone has the opportunity to take part in local sport or has access to open space.

In the past year, the Local Sport Grant Program has allocated funding for sports clubs in 93 electorates across the state and we anticipate this year’s funding round will help hundreds more sporting groups.

This program is in addition to the NSW Government’s $290 million Open Spaces and Green Sydney package, along with the Active Kids program announced earlier this year. It also comes on top of $200 million that has been committed to improving sporting facilities in regional NSW.

Please read the guidance notes and if you believe your project is eligible, take the time to apply before applications close.

Minister for Western Sydney
Minister for WestConnex
Minister for Sport
